WHY Water?

CLEAN WATER. HEALTHIER COMMUNITIES. BRIGHTER FUTURES.

Over **2 billion** people around the world — nearly **25%** of the global population — do not have access to clean running water. Instead, millions of families walk miles each day to gather water from rivers and ponds.

For many families, this is the **only water available** to drink, cook, and bathe with. Contaminated water causes widespread illness in communities around the world.

YOUR SUPPORT HELPS PROVIDE:

WATER FILTERS
Clean water for drinking and cooking

CLEAN WATER STATIONS
Safe, accessible water for communities

WELLS FOR FAMILIES IN NEED
Sustainable water for years to come

\$25 CAN PROVIDE
WATER FOR ONE
PERSON FOR LIFE!
